

We are moving to a new website! We look forward to seeing you at www.micenter.lt

Gal į Lietuvą? is an initiative of the Employment Service for those who have left Lithuania and are considering returning to work and live in Lithuania. The aim of this initiative is to disseminate information about the Lithuanian labour market, employers, and their expectations to Lithuanians living abroad. Events will be organised for Lithuanians living abroad to meet potential employers and even to start negotiating the terms of possible employment. These planned events will present relevant labour market information, Lithuanian employers and working conditions, and any questions will be answered. Participants will be able to find out about the most in-demand professions, social guarantees, and living conditions in Lithuania.

Your first EURES job – is a program designed for young people (18-35 year old) who seek to work in a different EU member state than they currently reside. Its main objective is to support youngsters from EU member states, Iceland and Norway in finding a job, internship or apprenticeship abroad. The program is also beneficial to the employers, especially small and medium-sized enterprises, in filling available job positions with competent professionals which otherwise would be hard to find. Members of the program may as well acquire appropriate job finding and employment support services which may be coordinated with financial support for job interview travel costs, language courses, relocation contribution, assessment of qualifications, costs of living for interns and apprentices and etc. The program may also be used by Lithuanians who are returning from EU or EEA member states.
